

# Tāne Ora Environmental Scan

The Tāne Ora Environmental Scan is being conducted by Karake Consultancy on behalf of Mana Tāne Ora o Aotearoa.

The purpose of the environment scan is to provide a general overview of the current programmes used throughout New Zealand that deliver Tāne Ora focused services.

1. What is the name of the programme or service being offered?
2. When did the programme or service begin delivering?  
Does it have an end date, or term of the contract?
3. What is the programme or service trying to achieve?
4. Who are the target population for this programme or service?
5. What is the geographical coverage for this programme or service?  
And who can access it?
6. What was the justification for this programme or service - how did it come about?
7. What approach/methodology is used to deliver this programme or service?
8. What are the successes to date associated with the delivery of this programme or service?

9. What are the measures of success/indicators for this programme or service?

10. Has any evaluation of the programme or service been undertaken?  
If so, when and what was the outcome?

11. Who are the funder(s) of this programme or service?

12. What is the annual budget/cost associated with the delivery of this programme or service?

Thank you for taking our survey. Your response is very important to us.
